PURPOSE

This policy will provide guidelines for the engagement and participation of volunteers and students at services managed by BPA, while ensuring that children's health, safety and wellbeing is protected at all times.

POLICY STATEMENT

1. VALUES

BPA is committed to:

- supporting connections with educational institutions to provide opportunities for students to undertake practicum placements as part of their studies
- building relationships with community members and providing suitable opportunities to engage volunteers to contribute to the programs and activities of a service
- ensuring the health, safety and wellbeing of each child at a service through consistent compliance with this policy and procedures when engaging volunteers and students.

2. SCOPE

This policy applies to the Approved Provider (BPA), Nominated Supervisor, Certified Supervisor, educators, staff, students on placement, volunteers, parents/guardians, children and others attending the programs and activities of services managed by BPA.

3. BACKGROUND AND LEGISLATION

Background

Volunteers and students may participate in programs and activities at a service from time to time including observing and experiencing the provision of centre-based education and care. This will be encouraged and facilitated by BPA wherever appropriate and possible.

BPA values the participation of parents/guardians and other family members, and the voluntary contribution they make to the education and care of their own and other children. "In genuine partnerships families and educators value each other's knowledge and roles, communicate freely and respectfully and engage in shared decision making" (*Early Years Learning Framework – refer to Sources*).

BPA aims to provide a range of opportunities for family members, volunteers and students to participate in programs and activities while adhering to clear guidelines regarding appropriate interactions and communication with staff, and other adults and children at a service (refer to *Code of Conduct Policy*).

The role that volunteers play in education and care services varies and can include working with groups of children, preparing materials or food, assisting with administrative tasks or working one-on-one with individual children. The service is responsible for ensuring that volunteers are suitable to work with children, and that children's health, safety and wellbeing is protected at all times.

Volunteers should only be engaged to complement, not replace, the work of paid staff. Accordingly, services should not engage volunteers to fill the place of an employee who is ill or on leave, or to fill a vacant budgeted position.

PARTICIPATION OF VOLUNTEERS AND STUDENTS POLICY

Mandatory – Quality Area 4

Volunteers must not be asked to perform tasks:

- that they are untrained, unqualified or too inexperienced to undertake
- that put the children or themselves in a vulnerable or potentially unsafe situation
- where there is a conflict of interest.
- Prior to participation at a service, a volunteer (aged 18 years or over) must be in possession of a Working with Children (WWC) Check card, and remain under the direct supervision of an educator
- who is over 18 years of age and holds, or is actively working towards, an approved diploma-level education and care qualification (Regulation 358) (refer to *Staffing Policy*).

Parents/guardians and family members closely related to children attending the service are exempt from needing a WWC Check.

In line with Child Safe Standard 4 and the *Child Safe Environment Policy*, prior to engaging a volunteer or student, an assessment should be undertaken of the nature of the responsibility to determine whether a position description is required, and based on that whether an interview and referee checks are required.

It is a requirement under the *Education and Care Services National Regulations 2011* that the Approved Provider uses the staff record to document the details of all students and volunteers. The staff record must include the full name, address and date of birth of each student or volunteer who participates at a service. The Nominated Supervisor of a centre-based service must also keep a record for each day on which the student or volunteer participates at a service, including the date and the hours of participation. In addition to this, it is recommended that students and volunteers undertake an induction to a service and complete an induction checklist (refer to Attachment 1), which should also be stored with the staff record.

Legislation and standards

Relevant legislation and standards include but are not limited to:

- Child Safe Standards
- *Education and Care Services National Law Act 2010*
- *Education and Care Services National Regulations 2011*
- *Equal Opportunity Act 2010* (Vic)
- *Fair Work Act 2009* (Cth)
- *National Quality Standard*, Quality Area 4: Staffing Arrangements

4. DEFINITIONS

The terms defined in this section relate specifically to this policy. For commonly used terms e.g. Approved Provider, Nominated Supervisor, Regulatory Authority etc. refer to the *General Definitions* section of this manual.

Child-related work: In relation to the WWC Check, child-related work includes work with children which may involve physical contact, face-to-face contact, oral, written or electronic communication.

Conflict of interest: (In relation to this policy) refers to an interest that may affect, or may appear reasonably likely to affect, the judgement or conduct of the volunteer, or may impair their independence or loyalty to a service. A conflict of interest can arise from avoiding personal losses as well as gaining personal advantage, whether financial or otherwise, and may not only involve the volunteer, but also their relatives, friends or business associates.

Staff record: A record which the Approved Provider of a centre-based service must keep containing information about the Nominated Supervisor, the Educational Leader, staff, volunteers, students and the Responsible Person at a service (Regulations 146–149). A sample staff record is available on the ACECQA website: <http://www.acecqa.gov.au/>

Student: A person undertaking a practicum placement as part of a recognised early childhood qualification. This student will be supported by an educational institution in the completion of their placement.

Volunteer: A person who willingly undertakes defined activities to support the education and care programs at a children's service in an unpaid or honorary capacity. These activities may include direct contact with children, administrative tasks, or preparing materials or food.

Working directly with children: For the purposes of the National Regulations, working directly with children is defined as being physically present with children and directly engaged in providing them with education and/or care.

Working with Children (WWC) Check: The check is a legal requirement for those undertaking paid or voluntary child-related work in Victoria and is a measure to help protect children from harm arising as a result of physical or sexual abuse. The Department of Justice assesses a person's suitability to work with children by examining relevant serious sexual, physical and drug offences in a person's national criminal history and, where appropriate, their professional history. A WWC Check card, notice or document (valid for five years), is granted to a person under working with children legislation if:

- they have been assessed as suitable to work with children
- there has been no information that, if the person worked with children, they would pose a risk to those children
- they are not prohibited from attempting to obtain, undertake or remain in child-related employment.
